

AMENDMENT IN RESPONSE TO OFFICE ACTION  
United States Patent Application No. 09/889,530

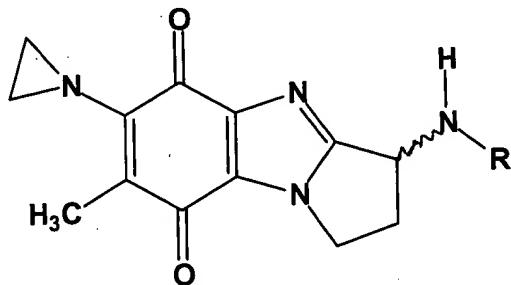

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims**

Claims 1- 10 (Cancelled)

Claim 11 (New) A pharmaceutical preparation for administration to an animal or human subject, for treating neoplastic disease in the subject, comprising a compound having a structure as follows:

wherein R is selected from the group consisting of H, CONH<sub>2</sub> or COCH<sub>3</sub>, and a pharmaceutically acceptable carrier therefor.

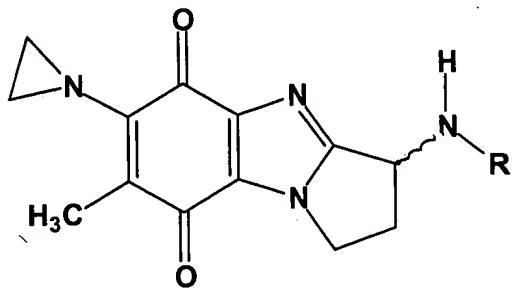

Claim 12 (New) The preparation of claim 11, wherein R is H.

Claim 13 (New) The preparation of claim 11, wherein R is CONH<sub>2</sub>

**AMENDMENT IN RESPONSE TO OFFICE ACTION**  
**United States Patent Application No. 09/889,530**

Claim 14 (New) The preparation of claim 11, wherein R is COCH<sub>3</sub>,

Claim 15 (New) A compound having the following structure:

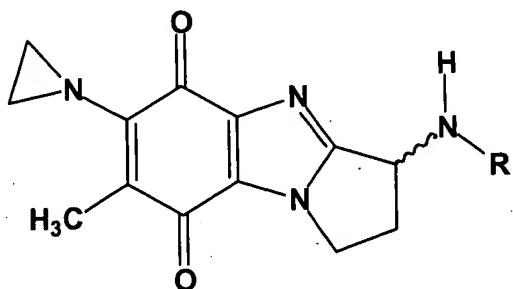

wherein R is selected from the group consisting of H and CONH<sub>2</sub>.

Claim 16 (New) The compound of claim 15, wherein R is H.

Claim 17 (New) The compound of claim 15, wherein R is CONH<sub>2</sub>.

Claim 18 (New) A method for treating neoplastic disease, comprising administering to an animal or human subject afflicted with neoplastic disease, an amount sufficient to inhibit said neoplastic disease of a compound having a structure as follows:

AMENDMENT IN RESPONSE TO OFFICE ACTION  
United States Patent Application No. 09/889,530

wherein R is selected from the group consisting of H, CONH<sub>2</sub> or COCH<sub>3</sub>.

Claim 19 (New) The method of claim 18, wherein R is H.

Claim 20 (New) The method of claim 18, wherein R is CONH<sub>2</sub>.

Claim 21 (New) The method of claim 18, wherein R is COCH<sub>3</sub>.

Claim 22 (New) The method of claim 18 wherein said neoplastic disease is selected from the group consisting of central nervous system cancer, colon cancer, ovarian cancer and lung cancer.
